

How you connect with your child makes the difference

The TUNED-IN PARENT goes through the day the 3a WAY!

When you're THE TUNED-IN PARENT

You take the time to get to know your child and share his experiences. Your child feels recognized and special.

When you are tuned-in, your child feels good about himself and is open to learning.

The 3a WAY means

allow
your child to lead

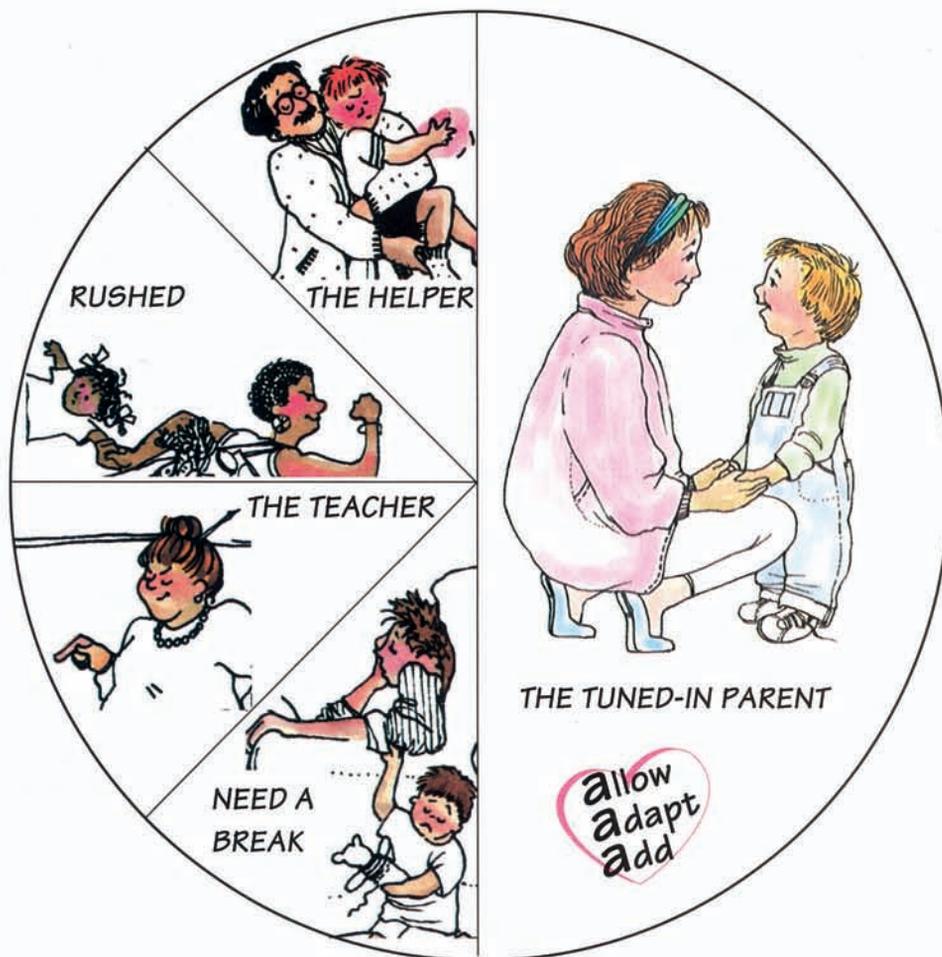

adapt
to share the moment

add
new experiences and words

It's hard to be the TUNED-IN PARENT all the time.

But, the more time you can be the TUNED-IN PARENT, the happier your child will be and the more chances he will have to learn.

This book explains how the **3a WAY** can help you tune-in to your child while you do all the things you usually do during the day.
