### Where do we get workshop registration forms ?

*When a workshop is confirmed Rachel forwards the applicable registration form to Coordinators with outstanding approvals for this training.*

*To be considered for the workshop registration forms must be received on or before the registration deadline date.*

### How are workshop participant lists set?

*Participant lists are finalized on the individual workshops registration deadline date (approximately 8 weeks before the first day of the training).*

*When the number of registration forms is fewer than the capacity of the workshop everyone on the list is offered a spot. Spots still available are filled on a first come first*
